

LINCOURT

Spring 2024

WINE CLUB NEWSLETTER

Greetings Wine Club Members,

As we move through spring towards the warmer summer months, we are busy in the vineyards with vine shoot thinning, canopy management, nutrition, and our first crop estimates. In the winery, our days are filled with blending sessions and selecting barrels, racking, assembling blends, and putting blends back into barrel to integrate over harvest for bottling season in spring 2025. It is also a time for harvest preparation, like receiving new barrels, hydrating empty barrels, topping and getting all of our wines consolidated to free up necessary tank and cooper space for the upcoming vintage.

I am very excited about the two wines in your shipment: the **2022 Grüner Veltliner** and the **2021 La Questa Cabernet Sauvignon**. Grüner Veltliner is a unique varietal that grows well in the Sta. Rita Hills, I like to pair this wine with an avocado grapefruit salad or pea shoot salad with a salty yogurt dressing. The La Questa Cabernet Sauvignon is a favorite of our team, and with its rich fruit notes, it's a perfect pairing for spare ribs with a cherry cola glaze.

Summer is the perfect time to visit us at the winery – sit outside and enjoy the picturesque view overlooking the vineyards while you sip some of your favorite LinCourt wines – walk-ins are welcome! Remember wine club members receive complimentary wine tasting for up to 4 guests, and wines are also available for purchase by the glass or bottle. Bring your four-legged furry friends and be sure to snap some pictures and tag us on Instagram, [@lincourtwine](https://www.instagram.com/lincourtwine).

We hope you'll stop by and see us soon.
